From the Motorway network

Leave the M5 at Junction 15 (M4 London / M32 Bristol)

Leave the M4 at Junction 19 (M32) following signs for Bristol city centre

Stay on the M32 until it ends. Follow the signs for Bus Station / Clifton / University (you will go straight over one set of traffic lights, bear right at a second set and then take the second exit at a large roundabout)

After the roundabout you will pass the bus station on your left, some traffic lights, two hospitals and three further sets of lights in rapid succession

Keep going straight on, passing Trenchard St Car Park on your left (see map)

As you approach the next set of traffic lights make sure you are in the left lane (you will see the University tower on your right) Go straight on at these lights – you will pass shops on your left

To arrive at the UniLit:

- Turn left at the next set of lights into Berkeley Square. The club is on the left hand side as shown on the map. Parking in the Square is limited to 2 hours

If you are going to the long-stay car park:

- Stay in the left hand lane and follow signs for West End Car Park. The turning for the car park is easily missed and is just on the bend as the road goes left. You drive up and over a bridge to enter the car park
